### *winemaker's notes*

This Cabernet offers an enticing aromatic intensity, thanks to the tiny berries harvested from this mountainside vineyard.

The nose is bursting with layered aromas of cassis, blackberry and black tea, with a subtle spice note from the beautifully integrated French Oak.

Across the palate, it is dense and mouth-coating, with supple, suede-like tannins. The moderate alcohol and healthy acidity keep the profile very vibrant and balanced. That juicy cassis flavor carries all the way through the impressive finish.

It's delicious in its youth, but this wine will also age beautifully for 15+ years.
