winemaking notes

The first two vintages of Materra's Diamond Mountain Cabernet Sauvignon were a huge success, so with our 2014 vintage we will say third time is *still* the charm!

This dense, structured wine has a nice mineral backbone and a focused core of dark fruit. On the nose we find a pecan pie aroma that combines beautifully with dark chocolate and even a hint of rosemary.

Take the time to appreciate the depth and character of these scents and you will truly appreciate the makeup of this fine wine. The dark fruit and dark chocolate elements are prevalent on the palate as well, and are only amplified by cassis and strawberry flavors.
