winemaking notes

Grown on Napa Valley's prestigious Diamond Mountain, this Cabernet Sauvignon took advantage of the warm California summer to produce a smooth, velvety wine that carries a focused core of dark fruits.

Blueberries and black cherries combine to create a fragrant red berry aroma. On the palate these dark fruit flavors are supported by the satisfying taste of milk chocolate and caramel created by the 20 months this wine spent aging in French oak.

This wine truly is a diamond in the rough.
