### *winemaker's notes*

The 2017 Right Bank has a medium garnet hue. The nose has lots of fresh red cherry and a savory note of tamarind.

The entry on the palate is juicy with bright acidity, and subtle oak spice comes across the mid-palate.

The tannin structure is very soft, velvety, and well-rounded. Its red fruit character and brightness last through the elegant finish.

Drink upon release up to 10 years.
