

2018 SAUVIGNON BLANC

appellation Oak Knoll District of Napa Valley

varietal 100% Sauvignon Blanc

alcohol 14.2%

bottling date February 2019

case production 830

winemaker's notes

Materra's 2018 Sauvignon Blanc is an explosion of fruit fragrance such as passionfruit, guava, and pear. Florida citrus aromas of orange blossom and jasmine are also apparent on the nose.

After this bright introduction to the wine we find Meyer lemon zest added to the fruit medley on the palette. This citrus note is uplifted by the lively and crisp acidity, strengthened further by a nice mineral backbone.

This is a refreshing and bright Sauvignon Blanc that will be a treat during the hot summer months. Enjoy at your next summer barbecue as the bright acidity will mingle perfectly with a summer salad and your favorite barbecue chicken dishes.
