winemaker's notes

Oak Knoll District is acclaimed for producing some of the best Chardonnay in Napa Valley and winemaker Chelsea Barrett showcases this with the release of her first vintage at Materra.

This wine is sure to enchant your senses as yellow peach and lychee mesh perfectly with subtle notes of white lily flowers to produce a mouthwatering aroma.

The palate is rich and layered with pure, clean flavors, along with delicate integrated oak characteristics.

Aged in French oak barrels, this Chardonnay carries an excellent tension between creaminess and bright acidity.

Enjoy with a seafood dish like lobster tail, scallops, or salmon.
