winemaker's notes

Known for its fun, fresh character, Viognier is one of Napa Valley's hidden gems.

Materra's 2019 Viognier perfectly captures the beauty of this grape by displaying both delicacy and richness. Crisp and alluring, this wine opens with fresh fruit aromas of apricot and apple. A lift of citrus upon the first sip quickly develops into a pleasing layer of honeysuckle - giving us that great floral sensation - which then unfolds to create a nice mid palate minerality. After 4 months in French oak, this wine carries a great balance of rich creaminess, and mouthwatering acidity that leaves you begging for the next sip.

Enjoy with Thai food, or with your favorite seafood dish!
