

2022 DIAMOND MOUNTAIN CABERNET SAUVIGNON

This 2022 Diamond Mountain Cabernet Sauvignon showcases the intensity and finesse of this sought-after appellation.

The nose is fruit-forward with notes of blackberry and plum with layers of black tea, bay leaf, and gravel. On the palate, it's juicy and dense, with pleasantly bright acidity and fine, dusty tannins.

The oak impact is moderate and adds depth and roundness without overshadowing the purity of the fruit.

Deliciously expressive now and will cellar gracefully for 15+ years.
