

2023 DIAMOND MOUNTAIN CABERNET SAUVIGNON

Our 2023 Diamond Mountain Cabernet Sauvignon is opaque ruby in color. The aromatics are immediately intense with notes of black olive, strawberry compote and cassis.

A first sip reveals layers of complex savory and baking spices and continued dark fruit intensity. It is juicy and a bit peppery across the palate, with a generous structure and full body. Vanilla and toasted hazelnut show up on the back of the palate from the nicely integrated oak.

This is a polished and elegant cab that will continue to develop gracefully for 15+ years.
